CAREER OBJECTIVE

Aspiring Data Scientist passionate about turning data into actionable insights to drive business growth.

EDUCATION

National Engineering College, Koyilandy, Tamil Nadu

2024 – 2028

B.Tech – Information Technology |

CGPA: 8.25

Harbour Higher Secondary School, Thoothukudi,

2023 – 2024

Higher Secondary Education (12th

Grade) | **Marks: 516 / 600 | 86%**

C.M High School, Thoothukudi,

2021 – 2022

Secondary Education (10th Grade) |

Marks: 449 / 500 | 89.8%

TECHNICAL SKILLS

Languages: C, C++, Java

Web Development: HTML, CSS, React

Tools: GitHub, VS Code

AREA OF INTEREST

- Data Science and Analytics
- Machine Learning (ML)

LANGUAGES

Tamil

English

Hindi

PROJECTS

Movie Rating Prediction

[Project Link](#)

- Built a regression model to predict movie ratings using genre, budget, cast, and review features.
- Achieved 85% accuracy using Random Forest and XGBoost algorithms.

Titanic Survival Prediction

[Project Link](#)

- Classified passenger survival using machine learning algorithms with EDA and feature engineering.
- Achieved 82% accuracy using Logistic Regression and Decision Trees.

Smart Exam Preparation

[Project Link](#)

- Full-stack exam preparation platform built with Java Spring Boot.
- Features MCQ tests, progress tracking, and personalized study recommendations.

Calendar Application

[View Video](#)

- Built an interactive calendar with event management and monthly view using vanilla JavaScript.

Bluetooth Controlled Smart RC Car

[View Image](#)

- Built an Arduino-based RC car using Bluetooth, L293D motor driver, and ultrasonic sensor.
- Implemented wireless control and obstacle detection for smart navigation.

CERTIFICATIONS

Technical English for Engineers — NPTEL, IIT Madras

8 Weeks | Score: 70%

[View certificate](#)

Introduction to Internet of Things — NPTEL, IIT Kharagpur

12 Weeks | Score: 79%

[View certificate](#)

Introduction to Industry 4.0 and Industrial IoT — NPTEL, IIT Kharagpur

12 Weeks | Score: 78%

[View certificate](#)

Affective Computing — NPTEL, IIIT Delhi 12 Weeks | Score: 72%

[View certificate](#)

ACHIEVEMENTS

3rd Place – Paper Presentation, Neupane, Nexus 2K25 — KPR Institute of Engineering and Technology [View certificate](#)

PARTICIPATION

- Hack Beyond Limits (Online Odyssey), Rathinam College
- 2025, Code Hunt, Coimbatore Institute of Technology
- Code Sprint, National Engineering College, Koyilandy
